Social Networking Policy

Introduction

I-Pegasus CIC recognises that more and more adults and children are using social networking sites. The widespread availability and use of these sites bring opportunities to understand, engage and communicate with our audiences in new ways. It is important that we are able to use these sites effectively and flexibly. But it is crucial that our members, referrers and other partners, and the public at large have confidence in the service we provide, and this Policy is therefore designed to ensure that our employees, volunteers and members use social networking sites responsibly.

Social networking sites include Facebook, Instagram, Twitter, MySpace, blogs, chatrooms, open access online encyclopaedias such as Wikipedia and sharing sites like YouTube. However, this Policy applies to all forms of social networking opportunities (together hereinafter referred to as “social media”).

This Policy applies to I-Pegasus CIC and Grove House Stables Equestrian Centre employees, volunteers and all other individuals who work for or provide services on behalf of I-Pegasus CIC, and also to our members. It covers the personal use of social media as well as the use of social media for official I-Pegasus CIC business, including in particular for advertising/promotional purposes.

Currently, Grove House Stables Equestrian Centre has its own Facebook page and Instagram account; these are used exclusively for promoting Grove House Stable Equestrian Centre. From time to time, videos of our events and activities are posted on YouTube. I-Pegasus CIC also has its own website (<https://i-pegasus.ecpro.co.uk/>).

Purpose

The purpose of this Policy is to ensure:

- that I-Pegasus CIC is not exposed to legal and governance risks;
- that the reputation of I-Pegasus CIC is not adversely affected;

- the safeguarding of I-Pegasus CIC members and their confidentiality;
- that our employees and volunteers are aware of their responsibilities in connection with the use of social media;
- that our members are also aware of the principles we expect them to follow when using social media in connection with I-Pegasus CIC and Grove House Stables Equestrian Centre;
- that it is possible to distinguish clearly where information provided via social media is legitimately representative of I-Pegasus CIC based at Grove House Stables Equestrian Centre.

Principles

All employees, volunteers and members must remember that information they share on social media is subject to copyright, data protection legislation, the Safeguarding Vulnerable Groups Act 2006 and other legislation. They must also adhere to the terms of our written policies.

They must also adhere to the following principles:

- No content may be published on social media which may result in actions for defamation, discrimination, breaches of copyright, data protection or other claim for damages.
- No content may be published on social media which might bring I-Pegasus CIC based at Grove House Stables Equestrian Centre into disrepute.
- Employees and volunteers must always act in the best interests of I-Pegasus CIC based at Grove House Stables Equestrian Centre and our members when contributing to social media.
- Social media must not be used in an abusive manner.
- Social media must not be used for actions that would put any person in breach of I-Pegasus's policies.
- Social media must not be used by I-Pegasus CIC or Grove House Stables Equestrian Centre employees or volunteers to post any personal information or comment about any other employee, volunteer or members or former members (or their families) without their prior consent.

- I-Pegasus CIC email addresses and other official contact details must not be used for setting up personal social media accounts or to communicate through social media
- Use of social media in worktime for personal use only is not permitted.
- Employees must be conscious of the need to keep their personal and professional lives separate. Caution is advised when inviting work colleagues to be “friends” in personal social media as social media blurs the line between work and personal lives.
- The I-Pegasus CIC logo must not be used on personal social media.

Any breach of these principles by any employee may lead to disciplinary measures pursuant to our Disciplinary Procedure. Any breach by any volunteer will be discussed with them by the I-Pegasus CIC Manager.
